Dear Travel Partner,

On behalf of the entire Westgate family, we would like to welcome you to the **Travel Partners Program**. With this exciting opportunity, you will be able to create a home-based business by simply introducing your friends, family and business contacts to Westgate's luxurious resort properties.

Begin by sharing your marketing materials and using your online tools and see how quickly your business will grow. With just a small daily checklist, you will be on your way to meeting your financial goals.
